Kliney disease is no respecter of persons. It attacks all classes, regardless of age, sex or conditions. A majority of the life afflicting scopic today can be traced back to the kidney trouble.

The kidneys are the most important organs of the body. They are the filters, of your blood. It the pointers which are swept from the issues by the blood are not eliminated through the kidneys, disease of one form or another will claim you should feel health and vigor resulting and will bless the day you first heart of GOLD MEDAL Haariem out came form or another will claim you as a victim.

Kidney disease is never for the life, You should use GOLD medical immediately. The swothing, healing of the single the filter which the second in the state of the second of the person of the second of the second

... and at the New Willard and the Shoreham, Washington, D. C.

A fact:

At these, the two leading hotels in the Nation's capital, Army and Navy men, statesmen, leaders of industry and prominent men from all sections of the United States may be found in greater numbers, perhaps, than at any other hotels in the country.

At the Willard, Fatima is by far the biggest-selling cigarette-which bears out, once again, what we have been saying all along about the nation-wide preference for this brand.

This is even further borne out by the fact that at the exclusive Shoreham only one cigarette (a 25c brand) outsells Fatima.

A Sensible Cigarette

In spite of the fact that it is not a high-priced eigarette, Fatimas are smoked by more men who can afford what they like than any other eigarette in the United States—smoked for their pleasing taste and because they never disturb even though a man may smoke more than usual,
